

TL1000TL LAVATORY SERVICE TRUCK

The Phoenix TL1000TL Lavatory Service Truck is designed to service all sizes of commercial aircraft. A man-lift option is required to service wide body aircraft. Phoenix uses a two tank system for lavatory servicing. The waste tank and flush tank are separate components fabricated from 304 stainless steel and are baffled in both directions. A hinged cleanout cover is provided on the waste tank for easy access to the dump valve to remove impediments. The waste tank has a tray to store the waste hose and prevent spillage of waste onto the top of the unit. The flush system uses an electrically actuated clutch to provide power for the hydraulic system that powers a bronze gear drive water pump. The system is actuated by mechanical switches at the service end of the vehicle.

TANKS:

- * Waste tank 600 gallons
- * Flush tank 400 gallons
- * Tanks baffled in both directions
- * All tank materials are stainless steel
- * All fittings are stainless steel
- * 4" Ball dump valve
- * Fill gauge flush tank
- * Clean out hinged inspection cover
- * Waste hose stowage tray w/stowage nipple
- * Insect protection, Vented tanks
- * 1 1/4" Flush tank drain valve

TANK PLATFORM:

- * Heavy gauge 2"X3" structural stainless steel tube frame
- * Stainless steel bottom and sides
- * 2/3" Exterior grade plywood cushion
- * Rear step bumper of galvanized steel grip strut
- * Removable stainless steel panels
- * Access doors w/bolt on stainless steel hinges
- * Aluminum tread plate top deck
- * Aluminum rear splash guards
- * Rubber rear top bumpers

AIRCRAFT SERVICES:

- * Electrically actuated engine driven clutch to provide power for hydraulic system
- * Bronze direct drive water pump
- * Stainless steel hydraulic tanks w/filter
- * Pumps 20 GPM @ 40 PSI
- * 1" Quick coupling
- * 25' Reinforced PVC hose
- * Spring rewind hose reel
- * 4" Straight locking coupling
- * Automatic flush hose drain back
- * 60 Micron filter
- * Rear service spot light
- * Resettable meter
- * 12' 4" Reinforced waste hose
- * Rear Indicator flag
- * Interlock for pumping in park
- * Waste inlet swivel
- * Wide body personnel lift

SHIPPING DIMENSIONS

WIDTH: 100"

LENGTH: 288"

HEIGHT: 94"

WEIGHT APPROX: 9000 Lbs

OPTIONS:

- * Full insulation 2" top, 2" bottom and 1" sides
- * Flush tank immersion heater
- * Rear compartment hot water space heater
- * 110 Volt space heater
- * 110 Volt dump valve heater
- * Wye coupling
- * Closed dump system
- * Electric pump
- * Safety chocks with holder
- * Back up alarm
- * Amber flashing beacon
- * Grip strut top deck
- * Recessed top deck access ladder
- * Grill and body guards
- * Hour meter
- * Larger tank capacity
- * All stainless steel construction
- * Available chassis: Isuzu, Ford
